Winter 2010

IMPORTANT DATES

HR Youth!

Mission: B.L.T. is growing!

Mission: B.L.T., Holy Rosary's junior youth group, has been growing rapidly! B.L.T. is a group for all young people in the parish ages 11 to 15. We learn about our faith, life issues, participate in social justice activities and have fun together. We are also very grateful to have so many talented youth leaders in B.L.T. These are young people ages 16+ who earn community service hours and lead-

ership training through their participation in B.L.T. If you're interested in joining BLT as a member or a youth leader, contact Lindsay today!

ATTENTION PARENTS! 'Explaining God's Word' and Stewardship Project

Looking for a way to help your child get more out of Mass?

Holy Rosary has recently introduced "Explaining

God's Word", a worksheet aimed at children in grades 1-6. The bulletin allows children to do activities related to the Gospel either during the homily or at home after Mass.

The back of the bulletin always features a "Family Page", activities appropriate for the entire family to enjoy. Pick up

your free copy at the back of the church today!

Starting in Lent, we will be launching a program for children ages 3-12 to develop an understanding of stewardship. Stay tuned to the bulletin for more information.

**Support Mission: B.L.T.'s
HOOP-A-THON!**

BLTer's will be shooting hoops to raise funds for St. Vincent de Paul on February 21. Show your support and make a pledge for one of our youth as they raise money for an important cause benefitting those less fortunate in our own community. See Lindsay for details.
