Have you  
registered yet?

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. Membership requires filling out our **registration forms located at each of the entrances of the church or filling out our online registration form found on our website at [www.holyrosary.ca](http://www.holyrosary.ca)**. But it is also more than just filling out some forms. Registration is a commitment to a community, a way to be included in the religious, social and ministerial activities of our Parish. Registration not only shows you belong, but may be necessary for certain benefits, like if you foresee that you will need a Letter of Reference from a priest any time in the future, it is essential that you introduce yourself to the priest well in advance so that he gets to know you. A Letter of Reference is meant to attest that a person is a “practising Catholic” — one who regularly attends Sunday Mass with the parish community. A priest who does not have some acquaintance with a person cannot satisfy such a request. If you foresee that you will be invited to be a godparent at baptism, a sponsor at confirmation or intend to apply for a position to teach in a Catholic school, introduce yourself to one of the priests on staff, visit him periodically as you leave Mass and become active in some parish activity. Another proof of regular attendance at Sunday Mass is the use of offertory envelopes and regular contributions to the Sunday collection. It is further presumed that you are registered in the parish and that your name is on the parish list.

The **JANUARY Food of the Month** donation is **HOT CEREAL**.
