You can work wonders!

Living the Gospel by supporting those with infirmities Florence slipped on an icy sidewalk, fracturing her right hip and breaking her thigh bone and ankle. Due to the cost of physical therapy, she worried she would never walk again. Her doctor referred her to LA Centre for Active Living, a ShareLife-funded agency. Within a week, Florence began participating in the center’s free health and fitness classes. In just six months, she progressed from needing a wheelchair, to using a walker, and finally to walking independently. Your generosity helped Florence to regain her health. Thank you for supporting ShareLife!
