The **Society of Saint Vincent de Paul** has 1400 volunteer members and a mission to *Turn our Concern into Action* by helping the most-

needy families in our community. This work allows us to identify children who would greatly benefit from going to the Society's Marygrove Camp and Camp Ozanam. These camps provide summer programs for girls and boys who would not normally have the opportunity to enjoy a residential summer camping experience. Their families simply couldn't manage it.

On the weekend of **June 8/9**, a special **Second Collection** will be taken up in our parish to support the work of **Marygrove Camp**. We thank you for your support and for being part of this change.
