Lent is the 40-day season of preparation for Easter that ends on Holy Thursday, three days before Easter Sunday. During Lent, Catholics recall their baptism and do penance – fasting, prayer, and almsgiving as they commemorate the death and resurrection of Christ.

Easter is the most important of Feast in the Christian calendar.

During this time Christians celebrate the resurrection of Christ. It is a movable feast and may be as early as March 22 and as late as April 25. This year, we celebrate Easter on April 5.

Why do Catholics traditionally give something up during Lent?
To do penance in preparation for the greatest feast in the Christian calendar.

On Fridays, we refrain from eating meat since Jesus sacrificed his flesh for us on Good Friday.

WHY NO MEAT?

Why is fish permitted on Fridays?

Fish doesn't belong to the "flesh meats." The Latin word for meat "caro," from which we get words like **carnivore** and **carnivorous** applies to **flesh meat** and does not include fish.

Traditionally, meat was more expensive and eaten only during times of feasting and rejoicing.

What is considered flesh meat?

Flesh meat includes any meat from poultry or mammals, such as beef, chicken and pork. Products that come from these animals can be consumed on Fridays, such as milk and eggs.
