John XXIII: The Pope of Peace

An inspiring
feature film
on Saint
Pope John
XXIII,

starring Edward Asner in an acclaimed performance as the beloved pontiff, who came from common stock and was known for his simplicity, courage, and love for humanity. Shot on location in Rome and Italy, and produced by the Italian film company Lux Vide, makers of Pope John Paul II and Saint Rita, this movie tells the whole life story of John XXIII from his youth through his young priesthood, episcopacy, life as cardinal, and eventually his life as Pope. Elected supposedly as an "interim Pope" who would just keep the status quo and listen to the advisers around him, John XXIII proved to be his own man when he surprised the Church and world by calling for the Second Vatican Council. This film also underscores his wonderful sense of humor and great charity towards others, especially the poor, downtrodden, and the outcast. To watch, please visit FORMED. To register for FORMED, for FREE, go to: www.formed.org and enter the Parish Code: FVT2H9.
